YOUTH MISSION TRIP
SUNDAY

From Pastor Mark

As I sit down to write this, the State Fair is about to begin. Summer is winding down and it's soon time for all the things that happen in the Fall to start up again - Sunday School, Confirmation, Choirs, First Communion, Fall Stewardship Appeal, New Member Orientation, and all the rest. And as I think about this, it reminds me of a passage from the Old Testament.

In Exodus 18, Moses has just led the Israelites out of slavery in the land of Egypt. The passage through the Red Sea was a kind of birthing experience, through the water to a new life, no longer as slaves but now as free people. And yet, as the Israelites washed up on the far shore of the Red Sea, they were not a fully formed, cohesive people. They had not reached Mount Sinai yet. They had not yet received the gift of God's laws and commandments.

There were many people and they had many needs and Moses, trying to keep up with everything, was on the verge of collapse. At this point, as we read in Exodus 18, Moses' wise father-in-law, Jethro, offers him a bit of advice. "What you are doing is not good," Jethro says. "The task is too great for you and you will wear yourself out." Jethro suggests that Moses select others who are suited to the tasks of caring for the people to help out with the many needs that the Israelites had. Moses follows Jethro's advice and the work is shared and it becomes a blessing for everyone.

As the people of God in the Old Testament began in this way, so the beginning of the people of God in the New Testament happened in a similar way. In Acts 6 we read of that first generation of Christians who were multiplying and growing fast. As part of their ministry, that early community provided a food distribution to the widows who had no other means of support. But the apostles were overburdened by the need to teach and preach the gospel and also to wait upon tables and provide for the food distribution. Consequently, they met together and prayed and chose others to share in the work. And, through this means, everyone was blessed.

The point that we see here, at the beginning of God's people in both the Old and the New Testaments, is that it takes a community of people sharing together to make the ministry happen. And things haven't changed. It still takes a community of people to make things happen and for ministry to multiply and to touch people's lives in real and significant ways.

With this in mind, I am thankful for the fine church staff we have here at St. John. And it is with a heart full of gratitude that I think of all of the many fine people we have in our congregation who volunteer in so many ways to make the ministry that we have happen here. Without so many willing hearts and hands it would not be possible. As my mother used to say, "Many hands make light work." And so it is. If many hands share in the work it becomes easier and more manageable for everyone.

And so, as we prepare again to enter into a busy time of year, I want to pause at the beginning and say how very thankful I am for the privilege of being a pastor here and having the opportunity to share in this ministry with all of you. Thank you to all of you who so willingly step up to help in so many ways. Let us pray for God's leading and guiding in the coming year, that hearts might be touched and lives might be shaped by the gospel of God's goodness and grace. Together, we have good news to share. Together, we are making a difference in people's lives for Jesus' sake. Thanks for your partnership!

Stewardship - the Gift of "Hands On" Giving

Sunday, October 6th will be the day at St. John for you to use your hands to help other members of your church.

We are looking for volunteers and projects to do that day that will help those with a need. One project that we have identified and will be doing, is helping Loren Kruschke with the clean-up and tilling of the church's garden plots across the street.

Do you need help or know of someone that needs a helping hand? Can you be a helper with one of these projects that day? Please let us know by contacting the church office. Also, in the gathering area, there will be a sheet to write down project ideas and a sign-up sheet for volunteers, once the projects to be completed have been identified.

Your Gifts Make A Difference!!

Thank you, from your Stewardship Committee

From Pastor Sarah

NEW YEAR'S – PART 3?

New Year's is the time for resolutions— promises to yourself to do something differently within the next twelve months. Eat healthier, exercise more, travel, learn something new, etc. Sometimes we follow through with those goals, and sometimes we're done with them and back to our old ways within a couple of weeks.

I don't know why all the attention to starting over goes to the New Year. The calendar is full of occasions for reflection, change, and renewal. There's spring, Easter, graduation, summer, Pentecost, birthdays, and the list goes on.

I've heard some people talk about Lent as a second resolution season— another chance at those personal goals just a few months after the first try.

If you're reading this, hopefully you know that's not what Lent is all about. Maybe we need a cartoon special for this season, too. I'm sure it happens, though. This is a time of reflection and renewal, and so becomes a chance to change something in our lives that helps us live them more fully.

As I said, the year is full of these occasions for change, and one of those fresh starts is fast approaching. The school year begins in just a few days. This is yet another opportunity to begin again— to have the new year be even better than the last.

Here at church, our program year is beginning. Teachers and Leaders are planning lessons and activities to help students learn more about God and how their faith impacts their lives. Parents and students are getting information about what that will look like and how they can be an active part of it. Staff and pastors are working to organize a clear and helpful transition into this season from the summer pace. Everyone is thinking about Rally Sunday, Confirmation and Connect Orientation, First Communion, Backpack Blessings, Choir Practice, and what it will mean to kick off a brand-new year.

It really is a time of beginning again— and it's not necessarily confined to those who are involved with school. As the leaves change, as cabins and campsites are closed up, as the harvests grow ready, a new season begins. There is a new year of learning and growing ahead for all of us. This is a chance to ask ourselves what we want that to look like.

I invite you to consider that question this fall and take a step toward your goal. Act on it.

What is it you have been wanting to do? Why wait until January to do it?

Stewardship Spotlight

Volunteer Focus On: Linda Schwichtenberg

Linda grew up on her parent's farm north of Belle Plaine. She and her 3 siblings attended St. John with their mom and dad every Sunday. They were raised to work hard, and encouraged to get involved and help others when needed. Linda's mother and siblings all live in this community. She attended Belle Plaine schools and in high school met Greg and they later married at St. John. They proceeded to settle in Belle Plaine and raised 3 children. Two of their children & families live close by and one lives out in Boston. Linda and Greg are the proud grandparents of 5.

Linda's love of children, along with a strong drive to care for others led her to become a registered nurse. She was fortunate to work in hospital settings for many years, pediatric clinic, and as a public health nurse in Scott County caring for families and children. Now, she continues to work in the Belle Plaine schools as a substitute nurse and assists with pre-school screening. As part her nurse's training at Augsburg college, she volunteered at the Health Commons at Central Lutheran Church in Minneapolis and still does occasionally today. They provide a variety of services largely to the homeless community. She's passionate in her advice to be humble and kind when working with others as we all have our own unique stories and journeys in life.

Growing up attending St. John allowed Linda to get involved in many different capacities in church and the community, depending on the stage she was at in her life. She was involved in most of the student activities that took place such as Sunday school, VBS, Junior Mission Band and Lutheran League. She was a teacher as her children began attending Sunday school and VBS. Throughout the years, she has attended Bible Studies, helped with the ice cream social, served coffee, helped at funerals, on altar guild, and participated in other worship assistant roles. Recently, she served on the church council. Of volunteering in general, she says, "We can't do everything, but we can do something." Stressing that she is just one of many at St. John who get involved, she expresses great gratitude to all that give their time and talents in so many ways behind the scenes to meet the needs of the church. The generosity of St. John and its members, and its open welcome to everyone are things that she strongly values.

Linda enjoys time with family, especially her grandkids, attending car shows with her husband, traveling, and playing cards with a card group for over 30 years. Other hobbies & interests include cooking, baking, reading, listening to music and watching sports. Coming from a service industry, she believes in investing in people, and feels it's important to be there for others, no matter what their needs are. She loves St. John's involvement in Families Moving Forward, and the other community outreach activities. As a church Linda is excited to see St. John look forward, and invest in the future!

Thank you to Linda, and to all our members who share their time and talents with St. John!

**Your Gifts Make a Difference
Thank You**

Fall Stewardship Appeal

Please note that our St. John Stewardship team will be sponsoring a three Sunday Stewardship emphasis this Fall highlighting the joy of generosity. As one person put it, "Stewardship is everything that I say and do, once I've said, 'I Believe.'" Stewardship is a whole life response to God's goodness. All that we have and all that we are is a gift from God. And Stewardship is simply giving back to God, through service to others, what God has already so generously given to us - ourselves, our time and our possessions.

The three Sundays this Fall are:

- Sept. 29: This will be our "Mission Trip" Sunday, and feature the opportunity to hear from our Mission Trip group how they joyfully and generously put their faith into action on our two Summer Mission Trips. Come Hungry! They will be serving breakfast that day, too!
- Oct. 6 This will be our chance to roll up our sleeves with our own local "Mission Trip." Please see the newsletter article: "Stewardship, the Gift of "Hands On" Giving" for more details on how we can help each other out right here in our own Mission Field!
- Oct. 13 Our final Sunday will be a time to gather and celebrate our "Statements of Intent" to financially support our ministry in the coming year. Watch your mailbox and check out our website for more information about how to make your commitment.

God is good and God has blessed us richly and generously so that we can richly and generously be a blessing for others. Thanks be to God!

Unapproved St. John Lutheran Church Council Minutes

August 22, 2019

President Chris Stier called the meeting to order at 6:40 p.m.

Present: Pastor Sarah Timian, Council members: Chris Stier, Annette Moylan, Brian Schmidt, Chris Zellman, Angie Kahle, Sandy Schultz. Staff: Curt Johnson and Treasurer, Rae Fimon.

Opening devotions: Pastor Sarah shared a devotion about being in a cloud of witnesses and we all should cheer people on with their race of faith, just like we cheer runners on in a road race.

Approval of minutes: Members of council reviewed the minutes from the July 18, 2019 council meeting. Motion was made, seconded and carried to approve the meeting minutes.

Pastor Sarah's Report

Youth Ministry— Over 30 youth participated in one of the Mission Trips this summer. One group of students traveled to Eureka Springs, Arkansas, for June 23-28, with TeamEffort. Another group traveled to Wind River, Wyoming, for July 13-19, with YouthWorks. Preparations for the 2020 year are being discussed. Hopefully, registration can be confirmed earlier in the year and changes made to the process to ensure St. John has its choice of week and location.

Housing and Homelessness Team— Members of the St. John team attended the Congregational Forum on June 26 at Cross of Peace Lutheran Church in Shakopee. Panel members shared about the homelessness issue and possibilities of supportive housing.

Connect and Confirmation— Connect and Confirmation Leaders have been confirmed for the 2019-2020 year. Connect Leaders have been meeting to organize the year and review curriculum. Confirmation Leaders will be meeting in September. Thank you to all of our volunteers who make these programs happen.

Personnel Committee— Appraisals have been conducted for staff members. A summary will be compiled after the next Personnel Committee meeting.

Ongoing Items - Worship Leadership for Wednesday and Sunday Services, Preparation for Youth and other programs; Pastoral Conversations and Visits; Ministry Team Meetings as available and needed; Planning and Preparation for events, meetings, newsletter articles, communication pieces, mailings, worship services, etc.

Fall Planning is underway involving our upcoming youth education programs of Sunday School, Connect and Confirmation. Schedules are being outlined, lesson plans formed and volunteers recruited. Preliminary letters have gone out regarding these programs, along with online registration and information about Orientation. Additionally, fifth grade First Communion and ninth grade Confirmation information has been sent out. Also, choir schedules for both the youth and adult choirs are being formulated.

Pastor Mark's Report

Annual staff reviews have been conducted for the paid staff and brief acknowledgements are being submitted to the council for our August meeting. Fuller summaries are signed and filed confidentially in the Personnel file. Pastors reviews are in process, as well, for our August council time.

Sue and I attended a Portico sponsored pre-retirement seminar in July to get gather information regarding retirement planning. The meeting was very informative and helpful in providing us with some things for consideration for the future.

The Stewardship team has been continuing work on providing stories of generous and joyful stewardship to share with the congregation on a year round basis. In addition, the team is working on encouraging people to consider legacy gifts. They are also putting together a Fall appeal that will include participation from the Sunday School, along with an opportunity to put our faith into practice through serving others.

Strategic planning. Would be good to engage the council and executive team in putting together a task force to provide a vision and mission for the congregation as we move into the future, including ministry transitions, staff and program needs, property considerations, etc.

Regular pastoral activities continue on an ongoing basis, including baptism, wedding and funeral planning meetings (together with officiating at these occasions), home and hospital visitation, Lutheran Home, Cardinal Ridge and Kingsway Communion Services, WELCA Bible Study, regular staff and team meetings, providing

weekly, monthly and special correspondences, as well as planning and preparation for worship time and sermons. *Looking forward* to a few days away at the end of the month to recharge and refresh before the Fall program year begins in earnest in September. Will include an opportunity to get up to the north shore!

Staff Report:

Custodial: Curt reports that the window on top of the stairs needs to be replaced because it has moisture in between the panes. Curt will do some research on whether we should replace it or repair it. Curt also said that we need to trim some trees in the fall. He said Matt Kes has agreed to help and he would just need a few more helpers for this task. Curt got a quote from Electronic Design Co. for a new sound system which was \$20,026.77 for the base price. He said that includes 2 cameras and we may want to add an extra microphone and a sound board. We also might need to get a tablet which is used to control the system. Our current sound system is approximately 25 years old and we can no longer find parts to repair it. Motion made, seconded to approve up to \$28,000 to install the new sound system. The funding for the sound system will come out of the technology fund. The fan is being replaced in the attic to help recirculate the air and minimize heat. This work is being done by Stansey Electric.

Treasurer: Rae Fimon reviewed the monthly building and general funds. July was a slow month so we had to transfer \$5,000 from the building fund to cover the costs for July. The building mortgage balance is approximately \$371,000.

Ongoing Business:

a./b. No transfers in or out

c. Matt Kes has a signed contract for \$97,000 for the roof repairs and will be starting soon. He will also address the leak in the southwest corner of the roof. This repair is being covered by insurance due to hail damage.

New Business:

Next month Rae will present the costs for health care benefits.

It was suggested that next year we should include opinions and comments from the congregation for any of our employees to include in their staff reviews. This information would be relayed through the church council.

We should include information in the bulletin each week about signing up for the online monthly newsletter.
